

*We provide a kit of stylish frames
For your patients to select from
at no cost to you!*

*They are selected to accommodate
all of your patients' needs! The kit
covers trendy to traditional!*

*These work perfectly for a low cost
option to offer your patients.
"Affordable Eyewear without a
Plan"*

*They also work well with your state
Medicaid programs that allow your
office to provide eyewear for your
patient!*

*This is a perfect way to maximize
your profits for these low
reimbursement vision plans.*

*Want to sell add-on items to your
Medicaid patients? Our Add-on's
are available at a super low cost
when combined with these
packages!*

*There is always a need for low cost
eyewear to keep some patients in
your office, these are perfect for
patient capture.*

*Are you interested in reducing your
cost of goods? If so ask me how I
can help your office! This is just
one of many ways!*
